New Products

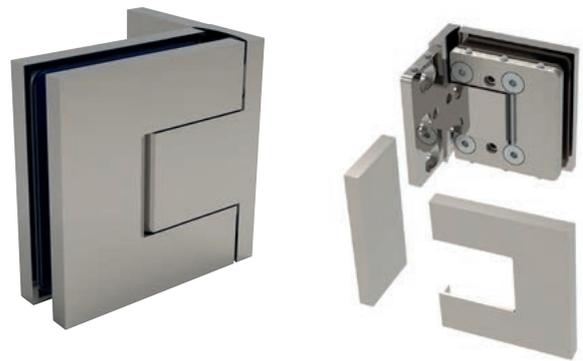

## Design, Function, Quality

CRL is proud to introduce three new shower hardware series, Bellagio, Como and Lugano, which have been specially developed with a focus on design, functionality and quality.

The new shower hardware is characterised by adjustability, design and high quality all at an equally attractive price.

## BELLAGIO

### Adjustable shower door hinge with cover plates

This square cornered hinge has a minimalistic look due to the small gaps and cover plates, which are simple to fix and also to remove. The Bellagio hinge is complete with an inbuilt seal. ## LUGANO

---

### Flush mount shower hardware with a rise and fall function

Following the trend towards wet rooms, Lugano offers a rise and fall mechanism that raises the shower door by up to 5 mm. Despite its compact dimensions, the Lugano hinge can support doors weighing up to 45 kg with a door width of 900 mm. The flush mounting makes it easy to clean the shower cubicle from the inside.

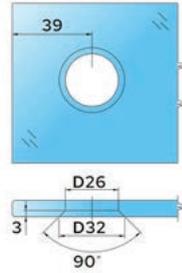

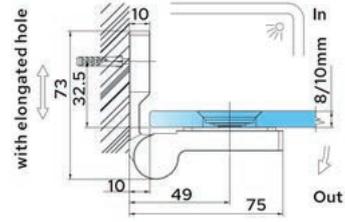

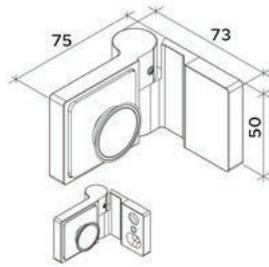

### Features

- High quality hinge with rise and fall function
- Compact design
- High load capacity
- Flush mounting
- Cover plates for wall screws
- Self closing from 60°
- Adjustable with elongated holes
- Anti lift device
- Solid brass
- For 8 and 10 mm tempered safety glass
- Tested to DIN EN 14428:2019-07 over 100,000 cycles
