CRL RATCHET TENSIONING KIT WITH TWO VACUUM LIFTERS

SAVE
10%

- Pulls with tremendous force
- Ideal for countertops, marble, granite, flooring, mirrors and glass
- Comes with two 203mm vacuum lifters
- Uses S108 vacuum lifter mounting points

147 Kilos
CARRYING CAPACITY

CRL Ratchet Tensioning Kit is designed to pull two flat surfaces or seams together. They are perfect for formica countertops, marble and granite, flooring, cladding, mirrors, glass, plastic, or any situation in which flat, non-porous surfaces need to be pulled together. The ratchet can be removed in order to use the S108 vacuum cup lifters separately. While one set is handy, large mirrors and counters usually need two sets, one on each corner, for an even pull. The ratchet can be removed in order to use the Lifters alone as manual lift aids.
