

NEW

CRL MONTEREY BI-FOLD DOOR AND WALL SYSTEM

MANUFACTURED TO ORDER IN EUROPE

Enjoy the beauty of the outdoors while providing resistance to undesirable weather conditions.

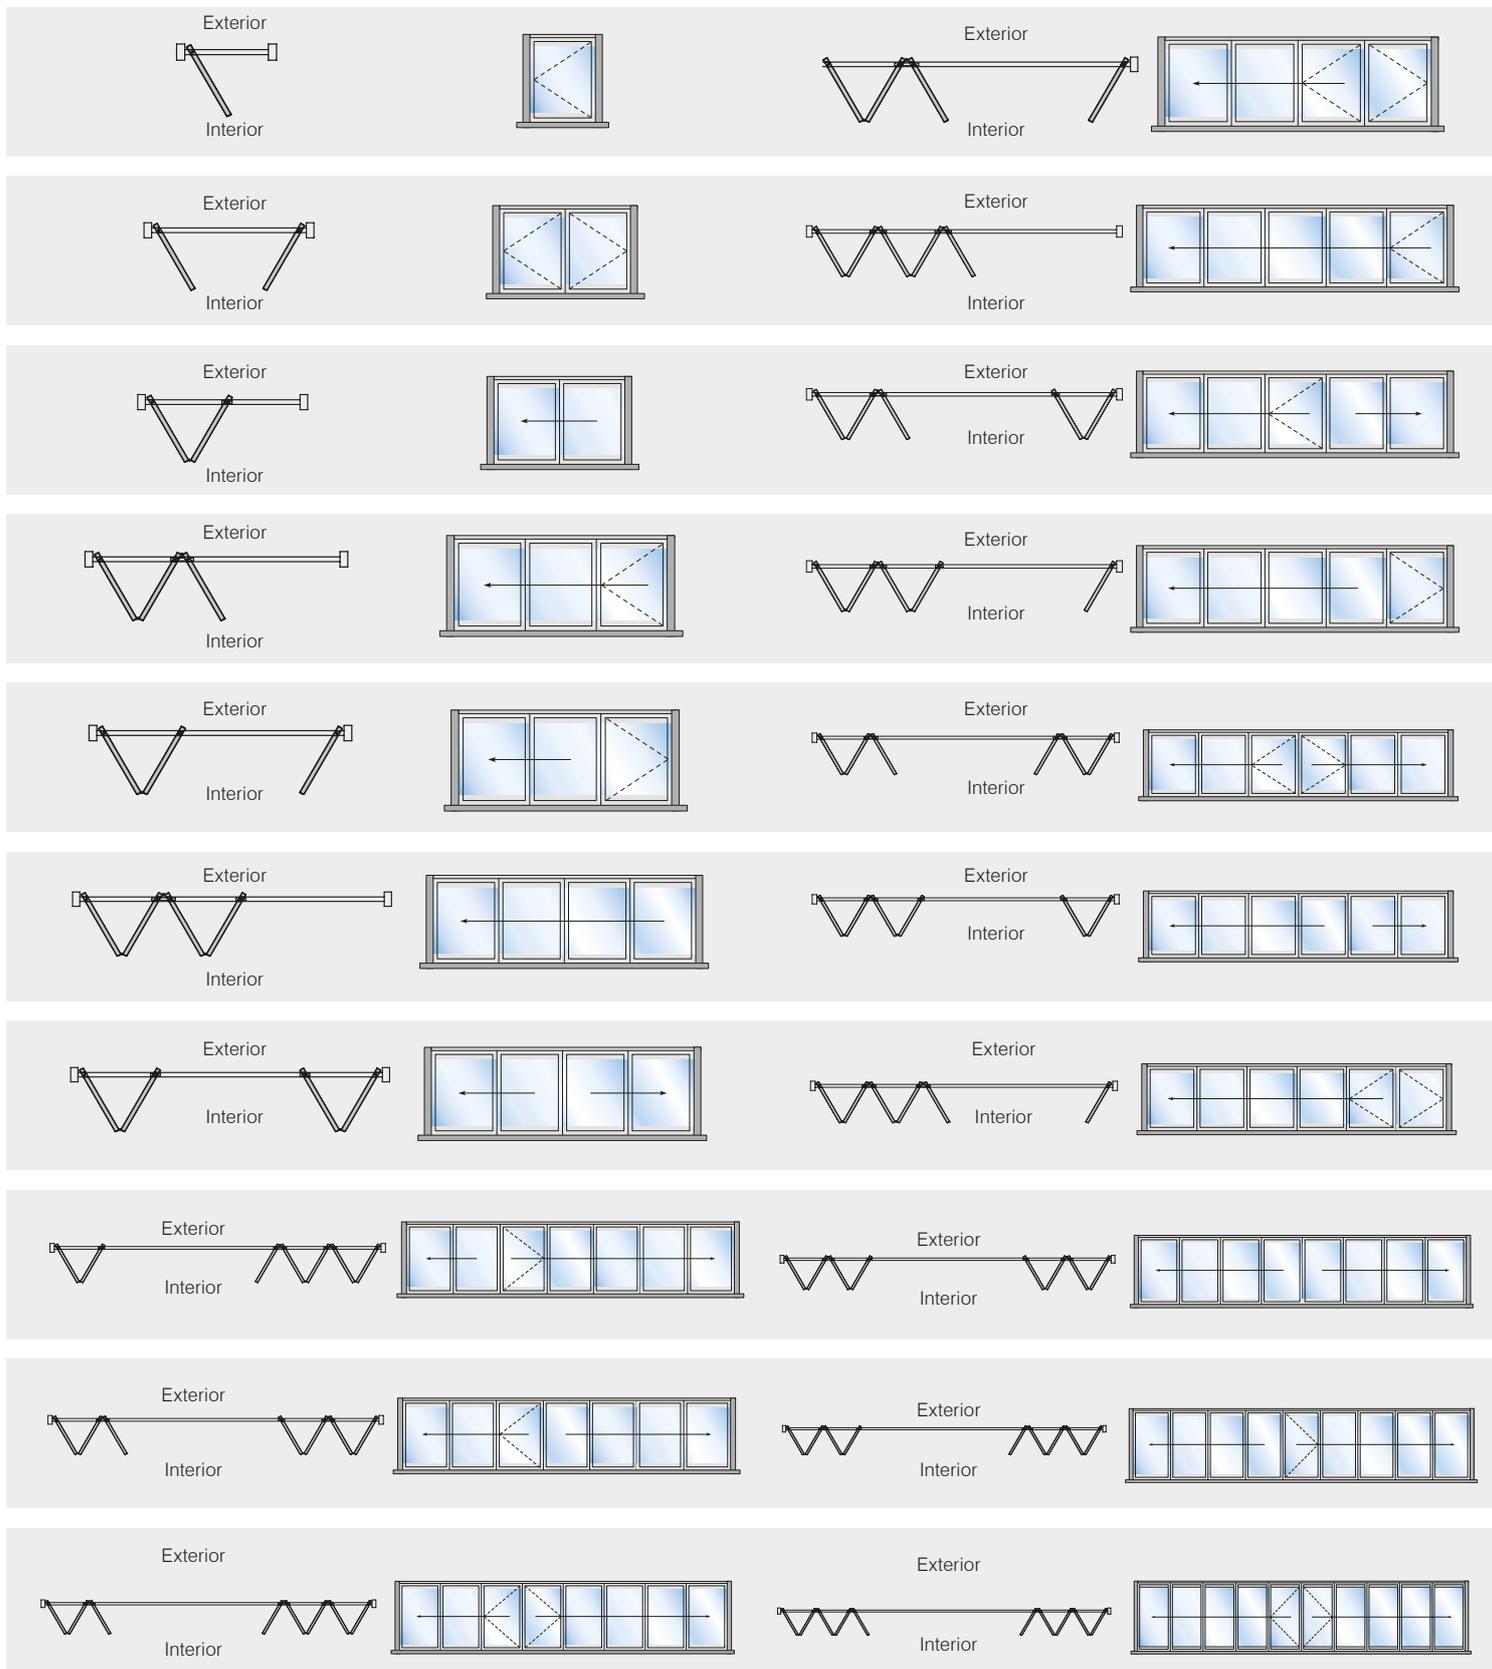

- For use with 6, 10 and 12mm monolithic toughened glass (Monterey S55 Series) or 25 and 32mm insulating glass (Monterey S80 Series)
- Top hung panels glide smoothly and easily with minimal effort
- Versatile pivoting panel option
- Weather resistant, designed for interior and exterior use
- Inward or outward stacking positions available
- Certain models available with 3-point keyed locking system
- Thermally broken, constructed for extreme weather conditions (Monterey S80 series)
- Flush mount or raised sill options

CRL[®]
