- Windows to Fit Medium and High Top Models
- 'All Glass Look' Frames
- 28% Solar Privacy Glass
- Uses OEM Stamping for Cut Line

CRL has introduced to the market the 'All Glass Look' windows for the 2015+ Ford Transit specific for Mid and High Tops. Innovative to complement the Ford Transit Van futuristic and aerodynamic styling, these windows come with silk screened black faded edges on Solar Privacy glass.

The entire unit is contoured to match the sidewall and doors to perfection, making the installation as simple as conventional fully framed windows. Our Ford Transit windows are configured to fit within the OEM stampings providing a customized look.

Whether converting the Ford Transit for commercial or recreational use, CRL 'All Glass Look' windows are the right choice.
